

Merchant Rock®

Delivery

Merchant Rock uses Royal Mail Signed for 1ST Class for domestic (United Kingdom) delivery as well as Royal Mail International Tracked Delivery for European and Worldwide destinations.

We also offer an express delivery service using DHL. If requiring an express delivery, please contact us at info@merchantrock.com with the following information and we will send you an invoice for your order with the express delivery cost. The express option is only available via invoiced orders.

- 1.Product name/product code
- 2.Quantity of each product required
- 3.Destination (full address) for delivery

All our deliveries are calculated according to the total weight of the basket. Please ensure that you select the correct delivery option for the delivery destination of your order.

Thank you
